TUBE TALK

Step onto any red carpet this year and you'll be swamped by the parade of strapless dresses. They are popular for a number of reasons – they give ample cleavage, show off glowing shoulders and arms, and best of all, give the illusion of a longer neck. With so much bare skin, no wonder the necklace has taken centre stage. Chunky dramatic styles, sautoirs and colourful chokers were spotted adorning the necklines of Devon Aoki and Diane Lane. For those who dared to bare, earrings, bracelets and rings were the fashionable accompaniment.
